

Karmen Munson of Williamsburg rolled back to back 300 games on Friday March 26, 2010 while bowling in the Wonder league at the Lucky 6 Lanes in Marengo, IA. She is the first female to bowl a 300 at this center.

Karmen said she was “on cloud nine all week”. She went on to say that she bowls for fun and that “you have your bad nights and your good nights and that this was a great night”.
